Main objectives:

- To diminish language, civic and intercultural barriers between immigrants and host country society towards easier entering into employment.
- Mapping and profiling the skills of the immigrants in order to match to the needs and shortfalls of the local labour market.
- To provide counseling and support on the settlement and job seeking issues.

Target groups:

- Legally staying refugees and immigrants in the so-called hot-border area of Bulgaria and Serbia.
- Accepted refugees and immigrants in the far neighbor area of mega cities of Turkey, e.g. Istanbul and hence Düzce.
- Diffused refugees and immigrants within the partner countries who keep contacts with refugee organizations.
- Refugees who are obtained a status, but still are in the refugee camps or in its surroundings.

Following products will be developed/piloted:

- Initial language training courses
- Civil and intercultural skills sessions
- ICT tools (Mobile/Online)
- Mapping of educational background and work experience
- Skills profiling
- Psychological consultation and job seeking
